Alumni Perspective

Welcome to RPIIT Campus, Faculty of Management

We are delighted that you will be part of the RPIIT Campus over the coming year.

Completing your studies with us means you have automatically become a member which continues to Network which continues to grow every years.

This brochure is a guide to making the most of being a RPIIT CAMPUS alumnus, both during your studies and after graduation. It will give an insight into what is readily available to you as a student and a member of alumni network there sample of opportunities for you to become actively involved in the alumni community once you graduate.

We look forward to keeping in touch with you over the coming years.

Chairman's message

RPIIT Campus is the result of our sincere effort towards the enhancement of Technological & Management and allied education required for overall development of our country. The spread of this higher education has led to a tremendous progress of the nation to achieve a strategic position as a technologically most advanced country of the world.

The RPIIT Campus accords a hearty welcome to the young aspirants for a better future.

Chairman
**RPIIT TECHNICAL &
MEDICAL CAMPUS**

RPIIT TECHNICAL CAMPUS

Our Institute

We at Educational Trust, aim at providing sound Technical Knowledge and Broad Vision to the technocrats of future, as we believe that for a successful tomorrow, attitude is equally important as ability. Institution of R.P Education Trust have been founded in the year 2008, and are offering BBA, MBA, B.TECH, PHARMACY, HOTEL MANAGEMENT, DMLT, ANM, GNM, BPT, BASLP and other courses respectively. R.P Educational Trust, Karnal is providing career-oriented education to the students so as to equip them with requisite qualification and training. This will enable them either to take up a gainful employment or start their own enterprises and become self-sufficient. R.P Educational Trust is totally alive to the needs and aspirations of the student community and keeps itself abreast of the changes taking place on the industrial front of the country.

R.P Educational Trust has highly qualified, experienced dedicated faculty to impart theoretical as well practical training to the students, regular involvement of the expert outside faculty from reputed institutions and organized help in improving the quality and gives wider exposure to the students. Extracurricular activities help the students in acquiring special skills and improving their horizon and vision. Our personality Development activities helps students in acquiring success oriented personality and result delivering skills.

The Institute has good rapport with order organization and sponsors their students of various courses for training to these reputed organizations. The Institute is committed to provide quality vocational and technical education to its students, so as to boost their morale and instill new confidence to prepare them to accept the challenges of life and put their best foot forward in the march to success for betterment to their lot.

Events

We have a series of network and social events throughout each academic year. This is a great opportunity to connect with other students and alumni. Over the past academic year, events we have arranged:-

- * Mentorship opportunities for several current UG students from our RPIIT Technical & Medical Campus.
- * Friendly Crickets match with drinks and food for our UG students.
- * Tips and stellar advice Given to current students from alumni who work in the marketing, Business and finance industries.
- * Research seminars with speakers from Indian renewed institutions.
- * Careers advice from former apprentice candidates.
- * Social for postgraduated students that involved dinner at Pizzahut, KFC, Dominos, Vivaan, Noormahal, Trip to house of parliament afternoon, tea, bowling, street food, drinks and entertainment at food Garage.

Careers and our connections

Careers

finding it difficult to secure your first given graduated job? don't hesitate to contact the training and placement team and book an appointment. This service is available to you up to two years after you graduate!

Work Experience and Internships

RPIIT FACULTY of Management have extensive contacts across Accounting, Banking, Finance and Marketing Industries as well as a range of successful small and medium sized enterprises. During your studies ensure you secure some internship opportunities which the training and placement team can help you.

Training and Placement cell

The Placement Cell plays a crucial role in locating job opportunities for Under Graduates and Post Graduates passing out from the college by keeping in touch with reputed firms and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies and graduates. The number of students placed through the campus interviews is continuously rising. On invitation, many reputed industries visit the institute to conduct interviews. The Placement Cell organizes career guidance programs for all the students starting from first year. The cell arranges training programs like Mock Interviews, Group Discussions, Communication Skills Workshop etc and it also organizes Public Sector Exam Training for students who are interested to join Government Sectors. It also invites HR Managers from different industries to conduct training programmes for final year students.

Mentoring Opportunities

During your first year, we recommend that you sign up and attend the SSF session. (Student support) is a mentoring scheme, which is to be mentored 2nd and 3rd year students. Sessions are held on a weekly basis during term with refreshments and it's a great way to meet other students studying the same programme and discuss any queries in relation to your deadlines, assignments and Campus life. By the time you reach 2nd and 3rd year, you

will have the opportunity to apply to be a SSF mentor and help 1st year students. It's a rewarding scheme to be active in and will make you stand out to an employer when applying for internship and your further graduate job. Once you graduate you can also apply to our mentoring programme. This gives you an opportunity to help RPIIT students with their career development and network and you will acquire new skills such as leadership and communication.

Stay in Touch- Become an Alumni Ambassador

We are on the look out for alumni who:

- * Want to talk about their experience at RPIIT TECHNICAL & MEDICAL CAMPUS at marketing, recruitment and career events we have each academic year.

- * Can Provide an insight into their working journey after graduation and day to day activities in their role especially on social media.
(tell us about a typical working day)

- * Keep us updated with their news.

- * Can attend events and liaise with prospective and current students.

- * Are keen to set up RPIIT FACULTY OF MANAGEMENT alumni meet up groups and continue to expand the alumni network.

- * Are keen bloggers that can blog about their transition from a final year students, life after graduation, trip on securing their first graduate job, journey from student to graduate job, their start-up and enterprise journey, being the owner of start-up the positive and challenges and more!

In return there are some great benefits including being featured in our annual marketing materials for the campus and a glowing recommendation from the Faculty of Management for your continued service.

To Apply tell us in 100 words why you would like to be an Alumni Ambassador to

ALUMNI WEBSITE
